## RESUME

# DUMESNY

**I'M A GRAPHIC DESIGN  
STUDENT LOOKING FOR  
A 3 MONTHS INTERNSHIP  
STARTING FROM MAY.**

**B.A - GRAPHIC DESIGN**  
Specialized in communication  
{ELMAD Auguste Renoir, Paris 75018, France}

2021  
/today  
{Student}

Studies that train me to graphic principle (hierarchization, arrangement, typography), printing method (risography, screen printing ...) and to softwares. During the lesson and workshop, I develop my own graphic language and my ability to answer requests.

**SKILLS**  
French language (native)  
English language

Resilience  
Collaboration  
Empathy  
Curiosity

**WORK EXPERIENCE**  
With a freelance graphic designer  
{Pont-en-Royans 38680, France}

Jun  
/2022  
{Intern}

For the first time i could interact directly with a client, react to his requests and deliver him a poster, led by the advice of a professional: Amélie BRUNSWICK.

**SOFTWARE  
ACQUIRED**  
Adobe InDesign  
Adobe Photoshop  
Adobe Illustrator  
Adobe Premiere Pro

**ON GOING**  
Adobe After Effects  
Glyphs  
Html / Css / Javascript

«PISCINE»  
Alias the process of selection of 42  
{42, Campus of Paris 75017, France}

Été  
2021  
{Student}

An innovative IT school, based on the concept of autonomy and collaboration. A principle called peer to peer learning. Accepted.

**PASS**  
First year of medicine  
{SORBONNE University, Paris 75013, France}

2020  
/2021  
{Student}

A course choice that seems obvious to me given my scientific studies. But lockdown happened, and like many people, it was the occasion to reinvent hence reorient myself.

**INTEREST**  
Photography  
Artistic practice  
Exhibition

**HIGH SCHOOL DEGREE**  
Specialized in science and biology  
With honors  
{High school Condorcet, Montreuil 93100, France}

2020  
{Student}
